Wholesale nursery in Oregon seeking applicants for FC bookkeeper/secretary position. Job responsibilities to include:

• MAS 90/200 and QuickBooks experience is required. Do not reply if you do not have three years’ background in all aspects of MAS 90/200.
• FC Bookkeeping including payroll and secretarial skills.
• Microsoft Word and Excel proficiency.
• Keep accurate records and files with monthly financial statements.
• Good track record with accounts payable, receivables, money handling, banking, and payroll.

Please send your resume and letter application to DiggerJobs@oan.org with Blind Box D in the subject line.

INVENTORY MANAGER

Our Business is Growing! Smith Gardens has an exciting opportunity for an Inventory Manager to join our team in Marysville, WA. The Inventory Manager leads the inventory team to monitor and evaluate inventory ready dates based on sales demand, spec. changes and plant readiness. Oversees scheduling to make sure items get to their destination on time, and product shortages are minimized. Successful candidate will have 7 years’ experience in the logistics, warehouse or inventory field, plus 5 years’ experience in a management role preferred. Experience with inventory management software, Bachelor’s degree in business, logistics, supply chain management or similar, demonstrated leadership, teamwork and conflict resolution skills. Have excellent communication skills, and have a high ability level to foresee and resolve problems. Nursery experience preferred. Bilingual (Spanish) preferred, both verbal and written.

To learn more about our company & view a more detailed job description, please go to smithgardens.com/careers/production. Competitive wage and benefits package, Medical/Dental/Vision, 401K. Email cover letter and resume to human.resources@smithgardens.com.

GROWER

A leading Specimen Tree Nursery is looking to fill the position of Grower. Applicants must have a current Pesticide Applicators license and knowledge of IPM. Applicants must be self motivated and like to work with groups. The right candidate must be willing to teach and show workers proper pruning techniques for commercial shade tree production as well as help with various tasks around the nursery. Tree identification is a must as well as pest identification. Full benefit package as well as salary DOE. Fax resume to 503-357-5141 or email to tom@efnursery.com.

IPM COORDINATOR

Our Business is Growing! Smith Gardens has an exciting opportunity for an Integrated Pest Management (IPM) Coordinator to join our team at our Marysville, WA site.

Smith Gardens is a Wholesale Nursery company that is headquartered in Bellingham, Washington, and is family owned for over 100 years with facilities in three states. The IPM Coordinator is responsible for chemical applications, irrigation techniques, and fertilizer rates, and coordinating sprays, training and followthrough of proper application techniques. Oversees pesticide applications, schedule, mixing, spray techniques. Scout crops for insect and disease pressure, reporting results to the Head Grower. Coordinate and assist with tissue and soil sampling, as well as administer and evaluate a biological control program in certain areas of the nursery as crops dictate.

Successful candidate will have a pesticide applicator’s license or able to obtain one upon hire, able to use and maintain spraying equipment, at least 1 years’ experience in this field, and have an associate degree or equivalent technical certification. Bilingual (Spanish) preferred, both verbal and written. Smith Gardens offers a competitive wage and benefits package. To learn more about our company and view a more detailed job description, visit our website at smithgardens.com/production. To apply, please submit your Cover Letter and Resume to human.resources@smithgardens.com.

• Medical partially paid by company
• Cafeteria plan available
• Dental partially paid by company
• Vision if elected paid by employee
• Life/AD&D paid by company

Send e-mail to northwestnursery@hotmail.com with contact phone, address, resume, and references.

ONLY APPLY IF YOU ARE A STRONG CANDIDATE.

OFFICE ASSISTANTS / SEASONAL DELIVERY DRIVERS

A mid-sized wholesale grower of annuals and perennials in Portland, we are looking to fill the following positions:

Office Assistants to answer phones, assist with taking plant orders, check out customers and other basic office duties. Assist with monitoring of plant inventory by counting, evaluating plant readiness and entering collected data into system. Experience in retail or wholesale nursery industry is desirable. SBI a plus. Must have an upbeat attitude, be a reliable and motivated team player and be willing to learn. These positions will require working seven days a week during the peak season.

Seasonal Delivery Drivers to load product racks into trucks, drive and unload product at customer’s locations. Delivery truck driving experience or Class B CDL experience a plus, but not necessary.

Please send your resume and cover letter to DiggerJobs@oan.org with Blind Box E in the subject line.
